The Outstretched Hand

Each of us was made by God
and some of us grew tall.
Others stood out in the wind
their branches bent and fell.
Those of us who walk in light
must help the ones in darkness up.
For that's what life is all about
and love is all there is to life.

Each of us was made by God
beautiful in His mind's eye.
Those of us that turned out toward
should look across our shoulders once
and help the weak ones to their feet.

It only takes an outstretched hand

This is a picture book about the students of
Rockingham Community College, Wentworth, North Carolina.

Volume III, May, 1969.

Look at them little kids in their back yards

playin' with matches, burnin' draft cards.

Look at them cats called Sonny and Cher

two or three million off'n all of that hair.

Look at them types on motorcycle bikes

roarin' thru the neighborhood scarin' little tyke

hell's little angels dressed in blue

tattoos say, "Mother I love you."

Oh the time the trials and the troubles are such

methinks thou doth protest too much.

Look at them lily whites goin' off to church

later in the afternoon callin' John Birch.

Sendin' off letters to the P.T.A.

sayin' this teacher's red and that one's gay.

Look at them pacifists marchin' in the street

ain't nothin much worse than two left feet.

Stirrin' up rebels and racial unrest

nothin' much left to protest but protest.

Oh the times the trials and the troubles are such

methinks thou doth protest too much.
